Directions: From Bethesda, head north on the Rockville Pike (Route 355), just short of Rockville Center by about a mile (about .8 tenths of a mile north of the Congressional Shopping Center); look for the five or six story Tenley Office building; turn left here onto West Edmondston Street. Follow this to Carter Road on your right. Turn right to the third house on the left. YOU'RE THERE .. Unload.

Membership . . .

Renewals are rolling in and being sent to USEASA right away. New members voted in at the special PVS meeting called together by the telephone tree on 30 July (and held concurrent with water skiing at Seneca, Md.) are: Thelma Belloli, Mr. and Mrs. Roy Elrod, and Mr. and Mrs. Tony Soler, Former member Mike Rysavy was reinstated at this meeting. Congratulations and greetings to these members!

DON'T FORGET: If you join any other ski club, you can subtract \$3.00 USEASA dues from that club's dues if the club is a 100% USEASA club. For marrieds, subtract an additional \$1.00 spouse membership. The largest club in this area, SCWDC, is a 100% USEASA club. PVS is a 100% USEASA club and we can use the voting count that our total membership can give us.

EVERY MEMBER IS A POTENTIAL SPONSOR.
BRING A GUEST

Sue Clark has renewed as an absentee member from Forest Towers Apartment 210, 501 Forest Avenue, Palo Alto, California, 94301. Sue says: "I'll be at this address 'til about 15 June 1968. (TOOT is sure she means 1969.) I hope anyone planning to ski Colorado in mid-March will keep in touch." Sue is a charter member and we will temporarily miss her charming presence in our midst.

New members. Jan Marx (an "Old Faithful" before she ever became a member) attended her first meeting as a full fledged member. (TOOT can't remember if she has missed a meeting!?! Husband Bob is traveling again.)

Old members. Don McBride joined us at the Hertilis swim-in. Good to see Don again. Jack and Mary Iams and Shirley Lowe made the special meeting on 30 July. The Glade Flakes made this meeting also; all five of them. A wonderful turnout!

SPECIAL NOTICE

PVS member honored! Mr. E. P. Anderson, one of some 30 candidates and the final six individuals interviewed for the position of Executive Vice President of the United States Ski Association in Denver, Colorado, has (1) been selected, and (2) accepted the position. E. P. and Meg and family move to Denver in September to assume his new work. This responsible position in the world of national skiing is now filled by an enthusiastic, hard-working and devoted skier, and we shall miss the entire family when they depart. They go with PVS blessings and best wishes. Bon Voyage and Ski Heil! The Andersons plan to attend the August PVS meeting, so we all want to attend to wish them well.

Activities...

Tennis: Continues every Sunday 10:00 a. m. to 12:00 noon at Haines Point.

Water Skiing: A successful venture 30 July. We shall plan one every Tuesday night at Seneca, Maryland. Come join the group. Bring picnic gear and "vittles" as desired.

Lobster fest: Possibly for the September meeting? Pat Calef needs help if this one is to get off the ground. Please coordinate your willing offers for assistance with Pat and President Larry.

September weekend at Ocean City, Maryland: Member Bill Johnson appears willing to allow PVS the accommodations of his several quarters at Ocean City for a weekend in September. This one is in the talking stage now, but with a willing coordinator and many willing hands, a wonderful weekend could result.

Sailing: A Sunday in July saw a successful sailing venture by PVS personalities. Mike Rysavy and Jan Marx had a lot to do with the success of this one. Other such successes are in store for those interested.

Golf: Bruce "Arny" Harstad continues his almost daily assault on the Frederick Golf Course where he claims he breaks 80. No one has witnessed this (no one from PVS, that is). Someone should check this out. In fact, Bruce would welcome any PVS golfers to join him in a round. Mike Rura, our long distance member, continues his frequent rounds on the lovely Charnita course. Mike claims a 78 on a legitimate round of 18. Perhaps he and Bruce could do battle for the PVS golden putter?

Skiing: Oh yes, we are a ski club. Max Bunnell is trying to establish a trips schedule for the coming winter season. He needs some assistance (and some assistants). Willing hands welcomed.

Notice...

With the approval of our Executive Committee, our President has appointed Miss Doris Hege as our new Vice President.

Notice ...

The following is in from USEASA Director, Bill Manson: "At the April meeting of the Blue Ridge Ski Council, I was elected as one of the two Directors of the Southern Election Area of USEASA. During the coming year, I hope that I will serve your club and USEASA productively and effectively. I will be attending a two-day Board of Directors meeting in Boston June 29th and 30th and hope to have a report out to the member clubs this fall. I'm looking forward to attending some of your meetings this fall and winter so that I may meet you personally."

Signed: Bill Manson
Director, USEASA

We welcome these comments by Bill who is an honored personality in the Washington area; a past president and honorary member of SCWDC. We look forward to meeting Bill at future PVS meetings.

Notice ...

TOOT has a report from Hank Thomas, the PVS representative to the Pennsylvania Ski Federation meeting last April. Hank reports that Mike Holofcencer plans two excursion flights: January 4, 1969, to Vail and Aspen. February 22, 1969, for Jackson/Aspen. Hank further reports that PVS President Larry Pease was named Associate Division Chairman for the National Ski Patrol. An honor, we're sure and we congratulate Larry! We just wonder at that man's selfless work capacity for something he believes in. We're honored to have him with us. Hank had further details and ended by saying that he would be happy to discuss the PSF and the meeting results with interested members. Thank you, Hank.

TOOT's tattling tidbits ...

We understand Jack Lilley's daughter is on her way to successful recovery from her serious motor bike accident and we are ALL happy on that account.

TOOT wants member Nancy Monacelli to report on who is the BEST finger painter of all among PVSers! TOOT understands a PVSer won an award for an Ice Cream finger painting "mit Slag". Any details, Nancy????

PVS members Peggy Lacey (PVS secretary) and Carol Parmenter are in LONDON right now! We hope they'll be back for the August meeting and displaying the latest in London miniskirts!! Hooray!

PVS NEEDS: A new TOOT editor (thanks, Meg, for a fine job well done).

A program chairman for winter meetings.

A winter meetings meeting site.

Assistants in ALL departments.
