## JULY MEETING ----

Those of you who missed it, missed a wonderful evening! Malda and Roy Elrod opened up their lovely home to us on Saturday, July 19 for a backyard supper party, and they really spoiled us. Roy cooked the steaks to perfection on his outdoor grill and Malda's elegant beer glasses made that keg of Michelob taste even better. Over 20 PVSers attended, including a surprise visit from Leilo and Russ Kinaman from way up north in Pennsylvania. (Gosh, it was nice seeing them again.) Thanks R Roy and Malda -- we had a real fine time.

Trudy (author of above paragraph) in her modesty didn't mention the many contributions she made to the evening. She took the reservations; and while the rest of us were slurping pre-prandial beer, she and Malda were fixing potatoes, preparing gorgeous salads, etc. And I wouldn't be surprised if she stayed late and helped wash up.

Statistics from our friendly bartender: One firkin of Michelob was consumed by participants. Statistics indicate a new record for PVS functions of  $4\frac{1}{2}$  cans per person. It is obvious that all had a magnificent time.

## AUGUST MEETING -----

August 19th we'll meet at the Marx's new home. They live at 2207 Gaylord Drive, Suitland, Maryland

From the Beltway: Get off a Pennsylvania Ave. (exit 34); go 6 lights toward D.C. to Shadyside, turn left; go one block, turn left (Bennett); go one block, turn right (Gaylord); go  $1\frac{1}{2}$  blocks to 2207.

From Town: Cross Sousa Bridge and continue out Pennsylvania past the Maryland line. About a mile past the D.C./Md. line you'll find Shadyside on your right, turn and continue as above. If you'll look on your map you'll see that after Pennsylvania crosses the Anacostia and then the D.C./Md. line, it turns north-east. The first marked street on the right is Shadyside.

### BRING A GUEST TO MEETING!

BRING A GUEST --- but first a note from the membership committee. When you do, see that your guest meets the members and particularly the Ex. Comm. members. Also you ought to go to meeting with them. And members should introduce themselves to guests they haven't met.

REHOBOTH BAY --- August 16 & 17.

The headquarters for this week-end of water-skiing and sailing is the SOUTHWIND MOTEL (302-227-2702). Brooke, Pete, the Elrods and some others are staying there. Meeting time both Saturday and Sunday is 9:00 - 10:00 A.M.

If you can't make it for the whole week-end, why not go for the day? If you leave Washington by 6:00 A.M., the traffic is not heavy and it should be an easy  $2\frac{1}{2}$  hour drive -- it's a good idea to leave Rehoboth after 9:00 P.M.. If you are up for the day, meeting time and place is still Southwind Motel, 9:00 - 10:00.

People should bring their own picnic lun ches and drinks as there is no good place to eat close-by.

Directions - next page.

Directions: To Rehoboth: Take route 50 (Annapolis) from Beltway (exit 31) or town. After you cross Bay Bridge pass Queenstown and 6-8 miles down 50 you'll see route #404 on your left. From 404 you can take either route 16 or route 18 to Rehoboth. 16 is about a mile from Andersonville on the left. From Rehoboth go south on 14 or 14A. About 1½-2 miles after 14 & 14A join again you'll pass the Bottle and Cork Restaurant on your right, then go past the Tastee Freeze to the intersection (McKinley). The SOUTHWINDS is on your right.

Thelma & Mike of our Membership Committee are pleased to recommend three new applicants for membership who have fulfilled all the requirements as specified in Section I, B of the By-Laws. The applicants are Bill Pearson, and Marilyn and Richard Clark. Members attending recent meetings have talked to them and are aware of their skiing background. Those members who have missed the opportunity to talk with Bill, Marilyn and Dick should get to them early at the August 19th meeting so that they may be justified in their enthusiasm when a confirmation of their acceptance as members is requested from the floor.

Their sponsors are to be congratulated for taking the responsibility of introductions and conducting the conversation so that the members present at the past meetings could evaluate the applicants.
