

Be Sure To Make The April Meeting - April 18.

The third Tuesday this month is the 18th and our meeting place this time is the FLAME ROOM in the Vienna Volunteer Fire House in Vienna, Virginia. To get there from the beltway take exit 11, Route #123, to Vienna. Once in the town, count the traffic lights and at the 4th one take a left turn. (The public library will be on that corner) Proceed up this street approximately one block and you will pass the police station on your left. The next building is the one you want. There is plenty of free parking in the adjacent lit lot. If for some reason you get lost just call the fire department. This may be our permanent "clubhouse" so come check it out.

Election of Officers at April Meeting:

So that you can be a well informed voter - here's your slate of candidates. Additional nominations may be made from the floor:

President:

Ex. Comm. Members: THELMA BELL)
 GERRY DEIGHTON) two year term
 PEGGY LACEY)

(one year term) - PETE LANG - replacement term.

For the interest of members who haven't read their By-Laws, the president and ex comm. members are elected by majority vote of the membership present at the April meeting. They then appoint a vice president, secretary, and treasurer.

Will PVS Remain A 100% USEASA Club?

USEASA stands for the United States Eastern Amateur Ski Association and is the Eastern Division of the United States Ski Association (USSA). As you may or may not know, PVS is presently a 100% USEASA Club. Part of your club annual dues are forwarded to USEASA and thus you are automatically a member. There has been considerable discussion and controversy regarding this practice and at the April meeting we will vote if we wish to do the same this coming year. The benefits and disadvantages, the pros and cons, the pluses and minuses will be presented at the meeting before the vote is taken. So be sure you are at the meeting to express your views and cast your for or against.

WISP WEEKENDS PROVE ENJOYABLE

The two club weekends at WISP have come and gone but for the thirty-odd people who participated there are good memories. Snow, weather, lodge, food, friends, etc. - Feedback was favorable and so basic plans are under-way for more of the same next season.

PVS PLACES FOURTH AT SKI-O-REE

Although poor snow necessitated the rescheduling of Ski-O-Ree, PVS had 14 members participating in the various events and placing fourth in the overall standings with 71 total points. Special mention goes to Bob Rogg who placed first in the men's advanced division race. We'd also like to say congratulations and extend a round of applause to Mary Rogg, Penny Wiederhold, Clifford Anderson, Ron Broadhurst, Ralph Anderson and Jack Fox, all who participated in their respective race classes.

Next year we'll hope to see more of us there to enjoy the fun.
